The screenshot displays the 'Channel i' interface. On the left is a purple sidebar with icons for user profile, list, apps, groups, links, code editor, settings, and help. The main header shows 'Channel i' and a notification bell. The 'Apps' section contains four app cards: 'Forminator' (Google forms for IIT-R), 'LecTut' (Access your lectures and tutorials), 'No dues' (Get your green card digitally without any red light), and 'Noticeboard' (A digital e-noticeboard).
